Current Situation: Conditions continue to be windy and dry. Burning in timber and timber slash. Moderate to rapid rate of spread in steep terrain. Fire is in the Mill Creek and Deer Creek drainages. There is no imminent structure or infrastructure threat. The predicted erratic winds and resulting increased fire activity did occur last night but the aggressive action of firefighters minimized fire spread. Use of fire crews is still critical due to rugged terrain. Fire activities will not impact planned activities at Silver Dollar Fairgrounds during the weekend. Fire is actively burning in the Ishi Wilderness Area. Red Flag Warning in the fire area will remain in effect until 9:00 pm tonight. More unstable weather is predicted for today.

Road Closures: None

Evacuations: None

Additional Information: Cooperating agencies: USFS (Lassen and Plumas NF), CDCR, SPI, Collins Pine, Chico Fire Department, CHP, BCSO, and TCSO.

Uncharacteristic fire behavior for this time of year due to the record dry winter and spring. Over the last week there have been over 100 fires in northern California. Public Information Line: 530-341-FIRE(3473)
